### Wichita Falls Police Department's Annual Biased Based Profiling Report

The following report is for your review only; no further action is required by Council. The analysis of the Wichita Falls Police Department's statistical report showed the Department, based on the captured data, is in compliance with applicable Texas laws regarding Biased Based (Racial) Profiling. Biased Based Profiling requirements are based on below listed criteria.

1. Contact data- race of individual stopped in a motor vehicle
2. Was race of driver known prior to stop
3. Consent/non-consent searches during motor vehicle stop

The Wichita Falls Police Department has collected motor vehicle stop-based contact data for the purpose of identifying and addressing any potential or perceived concerns regarding biased based profiling practices among police officers. Our goal is to maintain the confidence and support of our citizens as we fulfill our mission to serve and protect our community.

Wichita Falls Police Department personnel are expected to police in a proactive manner and to aggressively investigate suspected violations of the law. Officers are also expected to actively enforce local, state, and federal laws in a responsible and professional manner; without regard to race, ethnicity, national origin, gender, sexual orientation or any other identifiable group.

We are certain that the information made available in this report will instill the confidence from our community that their police department serves their needs with fairness and equitable treatment. The positive results of this report will serve as a basis to reinforce our committed relationship with our citizens.

## **Analysis and Interpretation of Data**

The data in this report contains information on police/citizen contacts where a citation and/or an arrest was made from a motor vehicle stop between January 1, 2015 and December 31, 2015. The information presented is open to multiple interpretations. Although the ACLU recommends that the data be compared to households with access to vehicles, this does not include the commuters from outlying communities or travelers through Wichita Falls. This also does not include commercial vehicles that operate in Wichita Falls on a daily basis.

Part of the data required to be collected are the number of searches conducted on the contacts. This data is then compared by race/ethnicity.

The number of contacts for Blacks, Hispanics, and Whites closely parallel to the racial makeup of the population of Wichita Falls. Asian and Native American Indian contact rates does not appear to be proportional to Black, Hispanic and/or White contact rates. This is due to the number of subjects in these groups being stopped. If, for example, only one person was stopped and arrested from a particular group, the overall statistics would show a one hundred percent arrest rate for that group.

The data also shows that stops were made for violations of the law rather than based on the race or ethnicity of all individuals. During the year there were calls for service and alerts for specific suspects involved in crimes. This is where the officer is looking for a suspect in a particular crime. Violations might include but are not limited to violations of the Penal Code, DWI, or City Ordinances. In these cases usually the race is given to the officer and is used as a factor in the initial stop. This is allowed by law. There is no evidence that race was used as the single factor for any motor vehicle stop.

# **Texas Racial Profiling Law**

## **CCP, Title 1, Chapters 2 and 3**

In 2001 the Texas Legislature addressed the issue of racial profiling in policing and passed the Texas Racial Profiling Law (SB 1074). This legislation is found in the Texas Code of Criminal Procedure in Chapters 2 and 3. House Bill 3389 changed several portions of the Code of Criminal Procedures Article 2.131 ó 2.138. The major change now has the requirement in the law that all agencies must report racial profiling data to TCOLE as well as their governing body. From the perspective of the bill's supporters, mandated data collection was not intended to be a solution to racial profiling in Texas but rather a first step in a longer fight. The legislation was intended to provide a strong data-based tool that civil rights organizations could use to effectively advocate for more specific policy responses to racial profiling.

Art. 2.131. RACIAL PROFILING PROHIBITED.

Art. 2.132. LAW ENFORCEMENT POLICY ON RACIAL PROFILING.

Art. 2.133. REPORTS REQUIRED FOR MOTOR VEHICLE STOPS.

Art. 2.134. COMPILATION AND ANALYSIS OF INFORMATION COLLECTED.

Art. 2.135. PARTIAL EXEMPTION FOR AGENCIES USING VIDEO AND AUDIO EQUIPMENT.

### **Tier 1 Reporting**

Law enforcement agencies that routinely perform motor vehicle stops and who have the vehicles that routinely perform these stops equipped with video and audio equipment can report under CCP 2.135, referred to by TCOLE as Tier 1 reporting. The Wichita Falls Police Department is a partially exempt agency categorizing us as a Tier 1 reporting agency.

# **Code of Criminal Procedure Requirements**

According to Article 2.132, CCP, each law enforcement agency in the state shall adopt a detailed written policy on racial profiling. The policy must:

- Clearly define acts constituting racial profiling.
- Strictly prohibit peace officers employed by the agency from engaging in racial profiling.
- Implement a process by which an individual may file a complaint with the agency if the individual believes that a peace officer employed by the agency has engaged in racial profiling with respect to the individual.
- Provide public education relating to the agency's complaint process.
- Require appropriate corrective action to be taken against a peace officer employed by the agency who, after an investigation, is shown to have engaged in racial profiling in violation of the agency's policy adopted under this article.
- Require a collection of information relating to motor vehicle stops in which a citation is issued, and/or arrest(s) are made as a result of those stops, including information relating to: the race or ethnicity of the individual detained; whether a search was conducted and, if so, whether the person detained consented to the search.
- Require the agency to submit to the governing body of each county or municipality served by the agency an annual report of the information collected above.
- If a law enforcement agency installs video or audio equipment, the policy must include standards for reviewing video and audio documentation.

The Wichita Falls Police Department's General Orders that meet these requirements are detailed in the next section of this report.

# Code of Criminal Procedure Definitions

## **Art. 2.132**

"Motor vehicle stop" means an occasion in which a peace officer stops a motor vehicle for an alleged violation of a law or ordinance.

"Race or ethnicity" means of a particular descent, including Caucasian, African, Hispanic, Asian, Native American, or Middle Eastern descent.

## **Art. 3.05**

"Racial profiling" means a law enforcement-initiated action based on an individual's race, ethnicity, or national origin rather than on the individual's behavior or on information identifying the individual as having engaged in criminal activity.

## **Law Enforcement Recognition Program**

In 2011 the Wichita Falls Police Department began the voluntary process of instituting the best practices guidelines set forth by TPCA, commonly known as "Texas Best." The Texas Legislature demands a great deal of professional law enforcement in Texas and the Best Practices were specifically designed to aid Texas agencies in meeting those demands and providing the best quality of service possible. The Texas Best guidelines meet or exceed all of the requirements listed under Article 2.132, CCP. Compliance with these guidelines are mandated under WFPD General Order No. 100.059, effective October 7, 2011.

These guidelines expanded the definition of Racial Profiling, also referred to as Bias-Based Profiling. The Texas Best definition is: law enforcement initiated action based on an individual's race, national origin, or ethnic background, gender, sexual orientation, religion, economic status, age, cultural group, or any other identifiable group rather than on the individual's behavior or on information identifying the individual as having engaged in criminal activity.

# **Wichita Falls Police Department General Orders**

The Wichita Falls Police Department has developed General Orders to ensure compliance with all laws of the State of Texas regarding Biased Based (Racial) Profiling, and with Texas Best guidelines.

## **General Order 100.059      Biased Based Profiling (Racial Profiling)**

The purpose of this policy is to reaffirm the Wichita Falls Police Department's commitment to unbiased policing in all its encounters between officers and any person; to reinforce procedures that serve to ensure public confidence and mutual trust through the provision of services in a fair and equitable fashion; and to protect our officers from unwarranted accusations of misconduct when they act within the dictates of departmental policy and the law. This General Order puts the Department in compliance with CCP Art. 2.132.

## **General Order 103.002      Citizen Complaints, Office of Professional Conduct**

The purpose of this order is to implement a process by which an individual may file a complaint with the Wichita Falls Police Department if the individual believes that an officer employed by the agency has engaged in racial profiling. This order requires that information about filing a complaint and the means to do so are readily accessible to the public at all times, and that all complaints are treated seriously.

## **General Order 200.054      Mobile Video and Digital Audio Recording Equipment**

One of the primary purposes of this order is to establish procedures to properly maintain and review audio/video recordings of motor vehicle stops made by Wichita Falls Police Officers to ensure that biased based profiling is not occurring. Each shift commander is responsible for seeing that supervisors review videotapes, audio recordings and in-car

digital recordings in compliance with this policy. Videotapes are reviewed when they are exchanged for a new tape by a supervisor. In-car videos are downloaded to the server. Audio recording media is downloaded on a weekly basis. Due to the large amount of documentation created from these reviews, this documentation is not included in this report.

## **General Order No. 105.002   Training**

One of the purposes of this policy is to ensure that all department employees receive training that conforms to TCOLE standards. TCOLE established a statewide comprehensive education and training program on racial profiling for licensed peace officers. All officers are required to complete this program not later than the second anniversary of the date the officer is licensed or the date the officer applies for an intermediate proficiency certificate, whichever date is earlier. All sworn officers who graduated from the Wichita Falls Police Department Academy prior to 2001 attended the Racial Profiling course between 2001 and 2005. The officers that graduated from the Police Academy after 2001 attended the course while in the academy.

# **Filing a Complaint**

# Filing a Complaint if Racial Profiling Occurs

Police Officers are granted a public trust that requires that they consistently demonstrate the highest degree of integrity. With this in mind, the Wichita Falls Police Department has established a Code of Conduct which sets forth the standards requiring officers to maintain a high level of personal and official behavior in order to command the respect and confidence of the public.

When members of the public believe that a police officer has engaged in misconduct, to include a violation of the racial profiling laws, they may report this misconduct to the Police Department's Office of Professional Conduct (OPC.) There are several ways this could be reported.

1. A Report of Service form can be obtained by going to the City of Wichita Falls website. Follow this link: <http://www.wichitafallstx.gov/1360/Office-of-Professional-Conduct>
2. A concern about employee conduct can be submitted online through the City of Wichita Falls website. Follow this link: <https://clients.comcate.com/newrequest.php?id=34#>
3. Fill out a Report of Service Form which can be found in the front lobby or at the front desk of the Police Department, 610 Holliday,
4. Speak to a Shift Supervisor by calling (940) 720-5000,
5. Call the Office of Professional Conduct at (940) 761-7723,
6. Or mail a letter to the Police Department at 610 Holliday, Wichita Falls, TX 76301.

The Report of Service form must be completed and returned to the Police Department either by mail or by returning it to the front desk of the Police Department. A signature is required to file a formal complaint so the complainant will be asked to sign their form if they have not already done so.

The function of the OPC division of the Wichita Falls Police Department is to investigate alleged violations of the departmental policies and procedures by members of the Department. The complaints will either be investigated internally by the OPC Commander or assigned directly to the employee's Commander.

The OPC division conducts only administrative investigations and any statements taken, or allegation made in that office will have no effect on any criminal proceedings pending against the complainant. The OPC division does not investigate criminal allegations.

The complete investigation and final disposition of a case is all handled within the Police Department. All information obtained and found during the course of the investigation is kept confidential to the extent allowed by law. It may take up to 30 working days to investigate each case.

After the case has been completed, it is forwarded to the Office of the Chief of Police for review and final disposition. Once the disposition is made on the case, the complainant will be notified in writing. Every member of the Wichita Falls Police Department has a right to appeal disciplinary action taken against him/her. The complainant and any witnesses may be requested or subpoenaed to testify in person at a Disciplinary or Appeal Hearing. This appearance will not be mandatory, but may affect the outcome of the hearing.

## Complimenting an Employee

There are times that Officers and employees of the Wichita Falls Police Department go above and beyond their call for duty. Law Enforcement employees appreciate it when their good deeds are noticed. Many times officers are remembered for the traffic tickets they issue or the arrest they made, and not for the helping hands they extend every day.

If an officer or employee of the Wichita Falls Police Department provides services that you wish to thank them for, or commend them for, please fill out the Report of Service form provided in the lobby of the Police Station or write a letter to the Chief. We will see that that employee receives the form or the letter and that a copy is placed in their personnel folder.

Just a small note of thanks or a positive comment goes a long way to boost the morale of not only the involved employee, but also those around them the employees are more positive about themselves and the services they provide.

***Report of Service forms can be turned into the Police Department at the front desk, phoned in, turned in to a supervisor, or mailed to the Wichita Falls Police Department at the following address:***

## Complaint Investigations

The Wichita Falls Police Department is committed to fair, efficient and impartial law enforcement. Any misconduct by Department employees must be detected, thoroughly investigated, and properly adjudicated to assure the maintenance of these qualities. A police department is often evaluated and judged by the conduct of individual employees. When an informed public knows its Police Department honestly and fairly investigates and adjudicates all allegations of misconduct against its employees the community develops trust in its Police Department. At the same time employees must be protected against false allegations of misconduct. This can only be accomplished through a consistently thorough investigative process.

The Report of Service forms are available to make complaints. They can also be phoned in (a signature will be required at a later date) or a letter can be mailed to the Police Department. Please insure it is signed.

**Who will investigate my complaint?** The Office of Professional Conduct investigates some complaints and some are investigated by the employees' Commander. The seriousness of a complaint is based on guidelines from the Chief.

**What if I am under 17 years of age?** You still have the right to make a complaint with the assistance of a responsible adult.

**How will I know what happens to my complaint?** You will be notified when the investigation has been completed. This does not apply to anonymous complaints.

**Does my complaint have to be in writing?** Yes. Before a complaint can be looked into formally, the complaint must be in writing. A signature and date must also be included.

**Will the employee know who complained on them?** The employee is notified who complained on them and what the complaint is about. This gives the employee an opportunity to give their side of the story. Other information about the investigation is kept confidential and the employee does not have access to the information in the investigation.

**Complainants should not be concerned with retribution for making a legitimate complaint. Any conduct of this nature by an employee will not be tolerated. There are policies in place to prevent such conduct.**

**The supervisor of the employee can explain many complaints. If you wish to talk to a supervisor they will attempt to resolve the complaint informally. You may still file a complaint if you are not satisfied with their response.**

## Additional Information

*The filing of a formal complaint against an employee of the Wichita Falls Police Department by you institutes an administrative investigation, which could possibly result in disciplinary action being taken against the employee.*

**Therefore:** *A person who makes a false statement under oath concerning a complaint filed against a law enforcement officer as required by Chapter 614, Subchapter B in the Government Code, with intent to deceive and knowledge of the statement's meaning, is guilty of aggravated perjury under Section 37.03 of the Texas Penal Code if he/she has knowledge of the content of the complaint, the purpose of the filing, and the official character of the investigation conducted in connection therewith, and if the statement is material.*

Complainants who have current criminal or traffic charges pending should be aware that the internal review process deals solely with Department policy matters and the conduct of Department employees. **Regardless of the outcome of a complaint investigation, existing criminal or traffic charges must be dealt with through the proper courts.**

The Wichita Falls Police Department realizes that confusion, different perceptions, or the timeliness of information sometimes will result in descriptions that produce different versions of the same incident. This is common in all police work; however a deliberate making of a report that the complainant knows to be false or misleading may result in criminal or civil action against the complainant.
